Forecast For East of England
Issued by Met Office Exeter
at 1600 on Sunday 24 Oct 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Patchy rain clearing overnight. Breezy and mild next week.

This Evening and Tonight:
Patchy rain will clear east across all parts through the evening. Clear spells and the odd shower following on for the remainder of the night. Remaining generally mild overnight. Minimum temperature 09 deg C (48 deg F).

Monday:
A bright start for many, before a scattering of heavy showers develop by lunchtime. That said, a fair number of places should remain dry. Still breezy and relatively mild. Maximum temperature 16 deg C (61 deg F).

Outlook for Tuesday to Thursday:
Fresh winds likely on Tuesday but generally dry. Conditions remaining similar into Wednesday and Thursday. Mild for the time of year, particularly overnight.
